The event was held at the multi-purpose hall of Oryong Hall with about 60 people attending, including GTMBA members, Professor Chang-Duk Jun, the 12th graduates, and GIST staff.

At the graduation ceremony, a total of 47 students who completed the GTMBA curriculum, including the latest science and technology and global management issues over a total of 29 weeks, were given certificates in the name of the president, and the GIST President's Award was presented to the 12th Alumni Association leader, In-myeong Suh, chairman of Kummyung Hitech Co., Ltd.

12th Alumni Association Chairman In-myeong Suh said, "With the hope that GIST will stand tall as a world-class science and engineering education and research institute based in the region, we agreed to donate the development fund together with the alumni. I would like to thank GIST Techno Management Business Academy and GIST officials for providing a high-quality education program, and I will work with the alumni to contribute to the development of GIST and revitalization of the local economy."

Research Director Chang-Duk Jun said, "We ask that you always bear in your heart the pride and pride of being a member of the GTMBA alumni and take the lead in improving management skills and enhancing regional industrial competitiveness based on the insights and human networks you gained through the CEO course. Please make efforts for continuous communication and cooperation between GIST and the industry in the future."

GTMBA opened the CEO course in 2010 to serve as a business hub through systematic CEO education programs. To date, about 480 alumni are active as the best global leaders in each field of society.

GT MBA is a one-year course starting in March every year and ending in February of the following year. It is held every Tuesday at 7:00 pm at GIST Oryong Hall, and it is currently recruiting students for the 13th class of 2023.
