▲ GIST 2024 Spring Photo Contest Poster

The Gwangju Institute of Science and Technology (GIST, President Kichul Lim) announced that it will hold the 'GIST Spring Photo Contest' from April 1 to 30.

This contest was prepared with the hope that more citizens would be able to enjoy GIST, which is reminiscent of a 'palace garden' as the entire 660,000 m² campus is flat and has beautiful landscaping, as if it were a 'city park.' Any citizen who has visited the GIST campus and taken pictures of landscapes with beautiful flowers and trees or pictures of happy people enjoying a spring outing can participate.

GIST plans to select a total of 50 works with a focus on 'citizen participation', and 20 'Cherry Blossom Award' winners will receive GIST character dolls, and 30 'Sansuyu Award' winners will receive GIST character keyrings as prizes.

Vice President for External Affairs Yonghwa Chung said, "Through this photo contest, even those who have not yet been to the GIST campus can enjoy the spring vibes while walking around the beautiful GIST campus, where cherry blossoms are in full bloom and metasequoias are lined up. We welcome your interest and participation."

The results of this photo contest will be individually notified via email on Friday, May 17, and the winning works will be posted on GIST's online promotional channels such as the website and Instagram.

To participate in the GIST Spring Photo Contest, please submit up to 3 photos by email (pr_photo@gist.ac.kr) by April 30th. (Related inquiries/062-715-2064)
