GT MBA 7th Alumni President Yun-seop Kim said, "We hope that this fund will contribute to students' academic and research activities, and as alumni of GIST, GT MBA alumni will continue to show interest and provide unsparing support for the school's future development. We hope that GIST will continue to grow into a world-

class institution through innovative research and education, and GTMBA alumni will join us on that journey."

Jeong-soon Park, president of the GTMBA alumni golf club, said, "The GTMBA course provided our graduates with not only diverse knowledge but also valuable connections and experiences. We hope that this donation, prepared to repay GIST in some small way for providing us with learning opportunities, will go beyond simple financial support and serve as a foundation for stronger ties and development between our school and its alumni."

President Kichul Lim said, "We are grateful for the warm hearts and deep affection of the GTMBA Alumni Association and the GTMBA Alumni Golf Club, and this served as an opportunity to once again confirm GIST's bright vision for the future.
