However, you can only declare a minor if you are able to meet the requirements for that minor, including the courses you will take in the Fall 2025 semester. If you have already declared a major but expect not to meet the minor requirements by the end of the Fall 2025 semester, you must apply for minor cancellation.

※ If unforeseen circumstances arise, such as not meeting the minor requirements due to the Fall 2025 grade processing results, a separate exception cancellation period will be announced in November. During this period, only students expected to graduate may apply for cancellation.

✓ **Can I declare more than one minor?**

=> Yes, you **can declare more than one minor** during your studies. However, within the **"Humanities and Social Sciences" category, only one minor can be chosen.**

e.g., Physics Minor/AI Convergence (O), Mathematics/Literature and History (O), Literature and History/Public Policy (X)

✓ **Where can I find the minor course curriculum list?**

=> Please, [refer to the Academic Handbook \(Undergraduate\)](https://www.gist.ac.kr/en/html/sub05/050209.html)
