3. Residency Conditions

- Accordingly, move-out inspections and regular inspections will be conducted under the supervision of the Graduate Dormitory Student Committee.
- In the event of vacancies caused by early move-out or students staying during vacation/seasonal semesters, random roommate assignments with nearby rooms will be made, following the same policy as other Dormitories.
- If fewer than three applicants apply for a unit, residents may be randomly assigned to a nearby unit or reassigned to Dormitory A or B.
- Failure to complete the move-out inspection will result in forfeiture and re-collection of the security deposit (KRW 140,000), in accordance with Dormitory policy.
- If outsourced cleaning is requested, the fee is KRW 300,000 per unit (KRW 100,000 per person).
