GIST donates masks to local child centers to prevent the spread of COVID-19

- GIST (Gwangju Institute of Science and Technology, President Kiseon Kim) donated masks to 27 children's centers on June 12 to prevent the spread of COVID-19.
 - GIST's Section of Public Affair conducted a Good Mask Sharing Campaign for GIST members for two weeks from May 15 to May 29. Faculty, students, and staff, as well as a donation of 200 masks from Purify Techno, a research institute company, joined resources to deliver masks to students at children's centers in Gwangju.
- The mask delivery ceremony for preventing the spread of COVID-19 was simplified selecting one local children's center near GIST with masks being delivered to the other children's center by couriers.
 - The head of a local children's center that received masks said, "During this difficult period of another wave of COVID-19, we are grateful that GIST is taking the lead in helping local students."
