

## Guide of Easing the Level of Penalty Points for ZEUS Health Status Self-diagnosis

January 7, 2022 (Friday)

The following are the guidelines for easing the penalty system for ZEUS health status self-diagnosis in the university dormitory based on the results of the 48th House Committee. Kindly read.

### 1. Effective Period: January 10, 2022 (Monday) until further notice

#### 2. ZEUS health status self-diagnosis penalty point system for not entering body temperature

· The application of the penalty system differs by [those who have been vaccinated](#) and those who have not been vaccinated.

※ The definition of a person who has completed vaccination is “someone whose second vaccination was more than 14 days prior.” However, from December 20, 2021, according to government regulations, the validity period for the vaccine pass is limited to “14 days to 6 months after completion of the second vaccination.” In addition, the expiration date of the vaccine pass and the definition of a person who has completed vaccination may be changed according to future government quarantine guidelines.

Category	Details of Disciplinary Action			
Those who completed vaccination	<a href="#">Exempt from disciplinary action</a>			
Those who have not completed vaccination	Details	No. of violations	Points	Disciplinary Action
	N o t e n t e r i n g Z E U S h e a l t h s t a t u s s e l f - d i a g	Total 1 time	5 points	Issuance of a warning letter (e-mail) for violators
		Total 2 times	10 points	Submit a letter of apology
		Total 3 times	25 points*	<a href="#">Monitoring university dormitory trash can</a>

n o s i s ' temperature 3 times in a row			
--	--	--	--

\*25 points (= 5 cumulative points for first penalty + 5 cumulative points for second penalty + 15 cumulative points for third penalty)

- ZEUS health status self-diagnosis penalty points for not entering body temperature and penalty points for other items in the house (ex. non-fulfillment of check out test, room monopoly, etc.) are managed separately.

ex) 10 points for self-diagnosis of health status + 15 points for other house items = 10 points, 15 points each

→ Disciplinary Action: Issuance of warning letter, submission of a letter of apology.

Disciplinary action for other items in the house: Issuance of a warning letter, submission of a letter of apology, and 2 hours of house cleaning activity.

- Resetting penalty points

- After monitoring disciplinary action due to not entering self-diagnosis of health status, the corresponding penalty points are reset (penalty points for other items in the house are not reset).
- The number of accumulated demerit points is reset twice a year based on the start date of each spring and fall semester, and in the fall semester of 2021, it is implemented from the time after the midterm exam.

Examples				
Spring Semester		Summer semester	Fall semester	
Total 1 time	Total 2 times	Non-resident in the university dormitory	Total 3 times → Total 1 time	Total 2 times
Total 5 points	Total 10 points		Accumulated 15 points due to the reset of the number of penalty points.	Total 20 points

- Automatic email delivery for health status self-diagnosis

Category	Delivery Time
Those who have completed vaccination	Automatic e-mail sent when no input is made 5 times in a row
Those who have not completed vaccination	Automatic e-mail sent when no input is made twice in a row

### 3. Note

A. If a person exempt from penalty points is found to have been confirmed as being infected with COVID-19 without entering health status self-diagnosis 5 times in a row, the student may be liable for indemnity and be held responsible. Also, please be aware that demerit points will be charged according to the university dormitory rules.

B. If you wish to register for a vaccine pass, please visit the House Office on the 2nd floor of A Building of the University Dormitory during the office hour schedule below.

- January 2022 schedule: 7 (Fri.), 8 (Sat.), 20 (Thurs.), 21 (Fri.), 22 (Sat.)  
9-11pm

Location: House Office on the 2nd floor of G House

C. From January 10, the automatic mail delivery time system will change depending on the existence of vaccination registration. We will do our best to establish a stable system; however, please understand that mail delivery errors may occur during the initial operation period.
