

Kitchen Rules

1. **Prohibited Use of Portable Butane Gas Stoves.** The possession or use of portable butane gas stoves is strictly prohibited due to their high risk and potential hazards. Violation of this rule will result in **Penalty Points: 25.**
2. **Use Pot Stands on Countertops.** When placing pots containing hot or cold food on the countertops, ensure that pot stands are used. Failure to use pot stands may cause cracks and eventual breakage of the countertops.

3. **Caution with Cooking Facilities, Especially Induction.** Exercise caution while using cooking facilities, particularly induction cooktops. In the event of damage, compensation will be required, and penalty points will be imposed.
4. **Do not cut frozen meat on the countertops.** This can weaken the countertops and cause them to crack or break. Defrost frozen meat using one of the following methods:
 - Pre-arrange defrosting in the refrigerator compartment.
 - Utilize the quick defrost function of the microwave oven.
 - Allow the meat to defrost at room temperature.
5. **Keep the facility clean.** It is essential to keep the kitchen facility clean at all times. Wash used dishes promptly and avoid staining cabinets or refrigerators.

Penalty Points

- Failure to follow any of these rules may result in the loss of kitchen privileges and/or the imposition of penalty points.
- Penalty points will accumulate and may result in disciplinary action, such as suspension from the dormitory.
