

2011

2011 Workshop on PEMFC Membrane, Catalyst, and GDL at GIST

DATE : April 27(Wed), 2011 (14:00~16:20)
PLACE : JukHyun Bio Auditorium in GIST
HOST : Research Institute for Solar and Sustainable
Energies (RISE)
Energy-Environment Research Center
Nano Technology Research Center
SPONSOR: The Polymer Society of Korea, Honam Branch

Schedule

Date	Time	Speaker	Title
4/27	14:00~14:10	Jae-Suk Lee (GIST)	Opening Remarks
	14:10~14:50	Takeo Yamaguchi (TIT)	Pore-filling electrolyte membranes and interface proton transfer technologies for next generation PEFCs
	14:50~15:30	Kenji Miyatake (Univ. of Yamanashi)	Ion-Functionalized Aromatic Polymers for Proton Exchange Membrane and Alkaline Fuel Cell Applications
	15:30~15:50		Coffee Break
	15:50~16:20	Seung-Hyeon Moon (GIST)	A study on interfacial resistance of a MEA

*This Work is partially supported by the New & Renewable Energy R&D Program .
